

# LGBT SUPPORTIVE RELIGIOUS OFFICIANT LIST - 2014

At Equality Illinois, we work to promote a fair and unified Illinois where everyone is treated equally with dignity and respect and where all people live freely regardless of sexual orientation, gender identity, or expression. We believe that everyone should have the same rights, responsibilities, and opportunities afforded to them, and we envision a world where every loving, committed couple has the freedom to marry.

Because of the hard work and commitment of our members and allies, we moved one step closer to achieving that vision when the Illinois legislature passed the Religious Freedom and Marriage Fairness Act in 2013. With our newly-codified freedom to marry in Illinois, many couples are planning to wed and some are looking to have a religious ceremony.

Equality Illinois has assembled the following list of religious officiants who are willing and able to perform same-gender wedding ceremonies. This list is organized by denomination, then by city, then by name of officiant. Please call the person listed as the best individual to contact for each officiant.

If you, or someone you know, would like to be included on this list, please e-mail [info@eqil.org](mailto:info@eqil.org).
